Owned solar with remaining financing to be paid in full by Seller at close of escrow. Beautifully updated Pulte Twilight in Festival Foothills. The sellers are proud to present this GORGEOUS turnkey home, offering a versatile floor plan with a den and bonus space that easily adapts to a home office, dining area, hobby room or additional living space. Sellers report approximately \$28,500 in property improvements since 2023, including LVP flooring throughout most of the home, upgraded baseboards, fresh neutral interior paint, updated lighting and ceiling fans, and a stunningly renovated primary bath. The primary suite has a refined, luxury feel, complemented by an adjoining walk in closet that creates a true private retreat experience. The kitchen features granite counters, ample cabinet for storage and stainless steel appliances, a newer dishwasher and reverse osmosis drinking system. A whole home water softener adds another layer of everyday comfort and convenience. A welcoming front courtyard adds charm and curb appeal, while the lush, established backyard and covered patio with ceiling fan create an inviting outdoor setting for dining, relaxing and entertaining throughout much of the year. Meticulously maintained and enhanced with quality workmanship throughout.
